Why Choose us

At S V KNIT FASHION, we combine unmatched craftsmanship with customer-centric solutions to deliver the best in garment manufacturing. Our commitment to quality, innovation, and timely delivery sets us apart globally.

1

Reliability

Timely delivery of orders with unmatched consistency.

2

Customization

Tailor-made garments to suit your market needs.

3

Quality Assurance

Doing things right the first time.

4

Expert Team

Highly skilled workforce backed by experienced management.

5

Global Reach

Serving clients across Europe, USA, and Canada.

Infrastructure

State-of-the-Art Infrastructure & In-House Facilities

Knitting & Fabric Processing Capabilities

We have **40 high-performance knitting machines** producing a wide range of fabrics, including Jersey, Rib, Interlock, Pique, Feeder & Auto Stripes, Jacquards, Lycra blends, Flat Knit Collars, Waffle, and Fleece.

To ensure superior fabric quality and finish, we use advanced compacting units featuring LAFER (Italy) and TUBE TEX machines.

Sewing & Production Unit

Our state-of-the-art sewing unit is equipped with **400 advanced sewing machines**, ensuring precision, consistency, and high-quality finishing in every garment.

We integrate modern cutting and stitching technology, enabling us to meet customer demands efficiently. Our facility features top-tier sewing machines from leading global brands like Juki, Pegasus, Siruba and Brother ensuring superior craftsmanship and durability.

Embroidery Unit

Our fully air-conditioned embroidery unit is equipped with **Barudan 20-head, 9-color machines from Japan**, ensuring high-precision embroidery with vibrant detailing.

Printing Unit

Our advanced printing facility is equipped with **4 automatic printing machines**, ensuring high-quality, vibrant, and durable prints. We specialize in Plastisol, Glitter, Pigment, and Foil Printing, using eco-friendly dyes and chemicals to create eye-catching designs.

Dyeing Unit

Our sister concern dyeing unit uses modern technology to ensure vibrant, long-lasting colors with high precision and eco-friendly processes.

Sampling & Production

Fast Sampling Service: Quick turnaround of 5 to 15 days for samples, ensuring rapid buyer approvals.

Efficient Bulk Production: Fabric readiness in 3 weeks and bulk order delivery within 5 to 8 weeks.

High Production Capacity: 10,000+ garments produced daily with precision and quality assurance.

With our advanced manufacturing capabilities, S V KNIT FASHION delivers premium quality garments, meeting global industry standards and customer expectations.

Product Range

We take pride in offering a diverse range of garments tailored to meet the needs of global clients. We produce a wide **range of knitted and woven garments for men, women, and kids**

Men's Wear:

- **Formal Wear:** Shirts and trousers crafted with precision for office and business needs.
- **Casual Wear:** Polo T-shirts, hoodies, and denim jeans for relaxed, everyday style.
- **Activewear:** Tracksuits and comfortable shorts designed for sports and fitness.

Women's Wear

- **T-Shirts:** Casual and stylish T-shirts designed for comfort and durability.
- **Polos:** Versatile polo shirts suitable for casual outings or sports activities.
- **Activewear:** Premium-quality tracksuits and leggings for workouts and everyday wear.
- **Sportswear:** Performance-oriented tops and bottoms crafted for athletes and fitness enthusiasts.

Kids' Wear

- **Everyday Wear:** Playful shirts, shorts, and dresses designed for comfort and fun.
- **Seasonal Collections:** Warm winter jackets and breathable summer outfits.
- **Sleepwear:** Soft, cozy pajamas and nightwear for little ones.

Quality

Our garments undergo rigorous testing to meet **international quality standards**, ensuring that they are durable, comfortable, and perfectly finished.

Equipped with state-of-the-art **testing labs**, we conduct thorough checks on fabric quality, stitching, color fastness, shrinkage, and more.

This comprehensive approach guarantees that each product meets the highest standards of performance and safety, providing our clients with consistent, **premium-quality apparel** every time.
